#### **Cookies**

Cookies are a technology that can be used to provide you with tailored information on a website. When you visit our website, we may store some information on your computer that ensures we recognize you the next time you return to our site. You can set your browser to off or to notify you when you receive a cookie, giving you the chance to decide whether to accept it. Our Web site uses the following cookies: name="\*" value="\*" domain="\*" path="\*\*"

How do we protect the information we collect? VIZST TECHNOLOGY takes precautions that are consistent with industry practices to ensure the security of your Personal information. We strive to protect your Personal Information from loss, destruction, falsification, manipulation and unauthorized access or disclosure.

How do we use the information we collect? When you provide us with Personal Information, we use it to respond to your enquiries, process your transactions, provide you with access to certain information or to generally support our business relationship. This information may also be used to improve our website content, customer experiences and business practices. In some cases, VIZST TECHNOLOGY's website contains links to other websites. VIZST TECHNOLOGY is not responsible for the privacy practices or the content of any websites other than its own. We collect information for the following reasons:

- Completion and support of current activity
- Website and system administration
- Research and development
- One-time tailoring
- Pseudonymous analysis
- Pseudonymous decision
- Individual analysis
- Individual decision
- Contacting visitors for marketing of services or products
- Historical preservation
- Contacting visitors for marketing of services or products via telephone

#### **How do we share the information we collect?**

We may share your Personal Information with our affiliates and with our partners, including our subcontractors and other third-party providers, in order to support the uses mentioned above, and such third-party providers may follow different Personal Information practices.

#### **How we use IP Tracking**

We use IP Address tracking technology to identify businesses visiting our site and the pages that are being used. This helps us analyse data about web page traffic in order to develop and improve our website for business visitors.

#### **Are there any exceptions?**

VIZST TECHNOLOGY will only disclose your Personal Information, without your consent, if we are:

- Required to by law; or
- Must do so in support or protecting our own rights, such as to collect monies owed or to seek legal remedies.

In either case, VIZST TECHNOLOGY will only disclose the Personal Information to the extent required. We are not required to protect Personal Information that is publicly available.

#### **Controlling your personal information and your rights**

The GDPR safeguards the following rights for individuals:

- The right to be informed
- The right of access
- The right to rectification
- The right to erasure
- The right to restrict processing
- The right to data portability
- The right to object

#### **Rights in relation to automated decision making and profiling.**
